

Brookland Junior School

Year 3 – Home Learning Menu – Spring Term

Art/DT

In our Art lessons, we will be learning about '3D Sculptures' Can you collect resources and create your own 3D model?

In DT, we will be learning how to cook seasonal tarts. Find a recipe online of something you would like to learn how to cook and make it with adult support. Here is an idea of a recipe you might like to try out.

<https://thegreatbritishbakeoff.co.uk/recipes/all/shortbread-biscuits/> (shortbread biscuits) Take photos of your cook and send them to your teacher to share with the class.

PE

Exercise is so good to promote our health and we must all do at least 30 minutes a day. Complete a just dance video of your choice on YouTube. You could pick a different dance each day or repeat your favourite one.

https://www.youtube.com/watch?v=el44_oc4DT8

Go on a nature walk with an adult. Enjoy the outdoor scenery and get your steps in.

Music

Can you write the lyrics your own song with a verse and a repeating chorus? Listen to some of your favourite songs to get some ideas. Here is one to listen to about being happy - [Bobby McFerrin - Don't Worry Be Happy \(Lyrics\) - YouTube](#)

How many musical instruments can you name? Create a poster

Spanish

In Spanish, we learnt about 'Los Instrumentos' (the instruments).

Learn this song to revise names of instruments in Spanish

Wellbeing

1) Watch this short film and talk about the importance of working together to find solutions to a problem and not just forcing your own way as this may be a mistake.

<https://www.literacyshe.com/the-bridge.html>

2) Write a list of five things you like about yourself. You may wish to ask your family and friends for their ideas too. Write it as a list and decorate it so it can become a bookmark to remind you .What would you like to get better at?

Science

This term we will be learning about rocks and soil.

<https://www.bbc.co.uk/bitesize/topics/z9bbkqt/> Using the website, create a booklet with facts all about rocks and soil. Could you even go and discover some in your local outside area?

In Spring 2, we will be learning about 'energy, light and shadow'. Can you picture different ways to create shadows. Can you discover ways to make the shadows lighter and darker?

History

In History, we will be learning about 'The Ancient Civilisations'. Use this website to research what this is all about. Present your findings in a creative way such as a PowerPoint presentation, a poster or a Fact File.

<https://kids.britannica.com/kids/article/ancient-civilization/627463#?text=Ancient%20civilizations%20started%20to%20appear,Shang%20Dynasty%20in%20ancient%20China>.

Geography

In Geography, we will be learning about maps. We will also be learning how to read them and use compasses Go on a local walk with an adult and draw a map of your journey using Ordnance Survey map symbols.

PSHE/OUR RIGHTS

In PSHE we will be learning about 'Dreams and Goals'. Make a mood board of all your favourite things and places you would like to go. You'll need a sketchbook (or some loose paper), scissors and a glue stick. The mood board materials are up to you! Use images and text found in old magazines, newspapers, books, leaflets and wrapping paper or do an online image search and print some yourself. Have fun and don't forget to send in some pictures to your teacher.

RE

Our learning this term is about the religions of Islam and Christianity. Use this website to read up about Islam and Christianity. Write down all the things you have learnt.
