

Brookland Junior School

Year 4 – Home Learning Menu - Spring Term

Art/DT

Art: make an arrangement of objects for a composition and make an observational drawing using shading to create a 3D effect.

DT: use junk modelling to make a vehicle that moves.

Spanish

Draw a picture of the members of your family and label them with their Spanish names using the Spanish words that you learnt last term. Use this link to help

<https://www.bbc.co.uk/bitesize/articles/z34q4xs>

Geography

Can you create a biome of your choice using different materials

Wellbeing

Yoga link

<https://www.teachingideas.co.uk/2d-art/mindfulness-colouring-images-animals>

PE

Want to get fit and improve your running? Try Couch to 5k for kids

<https://marathonhandbook.com/couch-to-5k-for-kids/>

PSHE/OUR RIGHTS

Have a debate with your family about the use of credit cards. Create your own method of payment that you think should be used in the world.

RE

Write an acrostic poem to illustrate the word Hinduism.

Create a mandala design

Science: States of Matter

Create a water cycle experiment. Fill a large bowl with water. Put an empty pot in the middle of the water. Cover the bowl with film and place on a sunny windowsill for a few days. You should soon see the water start to *evaporate*, it will cool and condense on the film before falling into the empty pot as 'rain'. Test different liquids such as soft drinks in an ice-cube tray to see which will freeze first. Remember to make a prediction first.

History

Use small coloured squares of paper to create your own collage in the style of a Roman Mosaic.

Create a factfile on Boudicca.

Music

<https://www.youtube.com/watch?v=aBqbFbXQpF>

Please watch and participate in this lesson about rhythm. You can clap out the notes,

Quavers are two beats and crochets are onebeat.

You can email your teacher a video of Your composition or bring in the written notation.
