March 2026

Spring round up

The children continue to enjoy their time at sunrise and sunset club. December saw a lot of rain, however, the children have thoroughly enjoyed getting outside when they can. Fingers crossed for the weather to continue to improve so we can spend more time outside. Despite the wet weather, the children have had a great time improvising with the resources available, they made some fantastic dens. The game Werewolf is also very popular amongst the children and staff in SunSet. Mr Cawley regularly hosts the game for all to enjoy. Lots of children have also enjoyed the outside activities in the morning sunshine. Once the children have eaten they all go outside with Mrs Page for a bit of a run around and some keep fit which they all enjoy!

Chocolate cake in a mug

Mr Cawley helped some of the children make a delicious chocolate cake in a mug. The sweet treat was enjoyed by everyone, including the parents!

Drawing competition

Congratulations to Hayley for winning the drawing completion that the children entered in December. Hayley won a bag of arts and crafts.

New menu

Children have enjoyed a variety of breakfast items and a range of hot and cold snacks. The chicken strips and fish bites have proved very popular at SunSet club. Fresh fruit is available to both SunRise and Sunset. As always, both Sunrise and Sunset are open to requests that are healthy and fun.

Changes in the rates

As communicated in the previous newsletter, from April 2026, we will be increasing the costs for both SunSet and SunRise clubs. We have not increased our rates for a number of years and we know we are very reasonable in our costs compared to other local wraparound care providers. However, with the increased cost of living we are having to increase our rates a little. From 1st April 2026, SunRise will increase to £5 per day and SunSet will increase to £12.50 per day. Thank you for your understanding in this matter.

Thank you for your continued support!
