Dear Parents/Carers,

As part of the Year 6 DT curriculum, the children will be tasting a variety of burgers and vegetable ingredients during the week commencing 8th June 2026.

All the burgers have been purchased from a typical supermarket and ingredients have been checked for allergies. We would encourage but not force the children to taste the different burgers (beef, vegetarian and turkey burgers available), sauces (ketchup, BBQ and burger sauce) and vegetables as this will aid the children when they make their own burger

If you do not want your child to try a particular ingredient then please let the class teacher know via the class email.

Before the end of the term, the children will be cooking and eating their own burger and salad, using either mince beef, turkey mince or sweet potato as an ingredient.

If you have any questions, please ask via the class email:

redwood@brooklandjm.herts.sch.uk

willow@brooklandjm.herts.sch.uk

We hope the children find this beneficial and enjoyable

Kind regards

Year 6 team
