Reminder - Sports Day

On Friday 19th June, we will be holding our annual sports day. Parents are welcome to spectate the event for the year groups their children are in. Please see letter that was previously emailed for full details. Please ensure your child has a named water bottle with them and a sunhat. Please also apply sun cream before they come to school. A safeguarding reminder that parents are welcome to take a photo of their own child, however no other children should be in the photo and nothing should be shared on any social media platforms.

Year MTC

Well done to all out Year 4 children who completed their multiplication check over the last two weeks. The children were absolutely brilliant and did a great job at answering the times tables questions in the 6 seconds allocated. Thank you to all the staff who supported the children with the check.

Class photos

This week each class had their class photo. Children took home a flyer with details about how photos can be ordered. The photos should hopefully be available to view online shortly.

UNICEF Right of the Fortnight

Next week, our UNICEF focus continues to be: Article 15 — 'Children have the right to meet with other children to join groups and organisations. This enables them to learn from others and learn new skills.'

International Day of Play

Yesterday, we celebrated International Day of Play. Children spent the afternoon taking part in various play activities, including games, board games and even some karaoke. Unfortunately the weather did not allow our plans to play outside but that did not dampen our spirits. Thank you for the donations that we will be using at lunchtimes.

Reminder - Parent talk: Raising children in the smartphone era

On Monday 15th June, at 2pm in the Junior school hall, parents at our school are hosting a parent talk, which will be a friendly discussion about helping kids thrive in the digital age. It's really important to note that this isn't an anti-tech movement; it's a pro-childhood one. It is clear that technology can have many positive benefits and opportunities for kids if used safely. We look forward to seeing lots of you at the meeting.
