CHEXS Charity Day - 29th June

Thank you to everyone who supported our CHEXS day, where the children came dressed in non-school uniform to raise money for this brilliant charity. Across both schools, we are please to announce that we raised £283 . Thank you for your support!

Moving Up Day - Thursday 9th July

Next week on Thursday, all the children will be spending the morning in their new classrooms with their new class teacher. Children come to school as normal to their current class, and then will move over to their new class after registration. We wish our Year 6s all the best as they spend the day at their new secondary schools.

Class names

From September, class names will go up with the children from Reception to Year 6. This will mean that each year, class names will not change and children will take their class name from the infants to the juniors. For example, the current year 2 classes are called Hazel and Oak. When these children go up to Year 3, they will continue to be called Hazel and Oak all the way to the end of Year 6. I hope this will make life easier for parents and children, who will not need to remember a new class name each year.

See your child's new classroom and meet the new teacher

On Wednesday 8th July, I will share staffing information regarding next academic year with you all via email. Also on Wednesday after school, between 3.25pm and 3.50pm, you are welcome to go and visit your child's new classroom, where you will also be able to say hello to your child's new class teacher. Classrooms will be open across both schools for you to pop in to for a few minutes. This opportunity will also give you the chance to see where your child's classroom will be for next year. We will have staff located across both schools to direct you to classrooms.

School start times from September

From September, the start time for both schools (from Reception to Year 6) will be the same. Schools official hours will be 8.40am-3.10pm. We will be including a soft start in the mornings. This will mean the gates/classroom doors for both schools will open at 8.35am for children to enter and will close at 8.45am. These 10 minutes should give parents enough time to drop children off across both schools, if needed.

Year 4 - History Off the Page Experience

A reminder that Year 4 have their 'History Off the Page' Anglo Saxon workshop next week. Please do log onto Arbor to give consent and make payment by Wednesday 8th July. We know the children are very excited for the workshop.

Haileybury Turnford Music Concert

Yesterday, our children enjoyed a fantastic music concert performed by some talented students from Haileybury Turnford. The children were treated to an impressive range of performances featuring the violin, piano, bass and electric guitars, showcasing the students' musical skills and confidence. The concert was both entertaining and inspiring, encouraging the children to take up playing an instrument.

UNICEF Right of the Fortnight

Our final right of the fortnight for this academic year is: Article 42 — 'Children must know about their rights.' The whole school will focus on this for the next two weeks across all areas of the school's curriculum.
