Website Photography - Monday 28th September

We would like to inform parents and carers that, as part of keeping our school website up to date, a photographer from our website provider will be visiting the school to take photographs throughout the day on Monday 28th September.

The photographs will be used to showcase life at our school and may include images of pupils taking part in everyday school activities, lessons and events. The images will be used for the purpose of promoting and celebrating our school on our website.

We will, of course, continue to follow our existing photography and image-use policies, and only children with the appropriate permissions on Arbor will be photographed.

Please review, on Arbor, your child's consent to be photographed and for their photograph to be used on the school website no later **Thursday 24th September**. We will use the permissions as they are on Arbor on **Friday 25th September** when selecting which children to photograph. Thank you for your continued support.

Reminder - Individual and Sibling photos

The **junior school** children will have their individual and sibling photos (junior school siblings only) on **Monday 21st September**.

Please can Year 3 and 4 come to school wearing their full school uniform and bring their PE uniform in a bag. Children will get changed after having their photograph taken.

The **infant school** children will have their individual and sibling photos (infant school siblings only) on **Monday 28th September**.

If you would like to have photos of your children together from the two schools, you will be able to do this before school, from 7.45am-8.40am on either 21st September or 28th September in the respective school halls.
