<p style="color: blue;">Some basic game playing knowledge and skills</p> <div style="border: 2px solid red; padding: 5px;"> <p style="text-align: center; color: blue;">Goal Side</p> <p>When your team does not have possession of the ball all players should try and get back closer to their own goal than the ball. On the left diagram 3 Reds are in the incorrect place as they are ahead of the ball. On the right the Red have all moved back and are in between the ball and their own goal—this will make it harder for the Yellow team to score.</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> </div> <div style="border: 2px solid red; padding: 5px; margin-top: 10px;"> <p style="text-align: center; color: blue;">Marking</p> <div style="display: flex; align-items: center;">  <div style="margin-left: 10px;"> <p>You need to be goal side of your opponent—keep low and focus on the ball</p> </div>  </div> </div> <div style="border: 2px solid red; padding: 5px; margin-top: 10px;"> <p style="text-align: center; color: blue;">Communication</p> <p>To show that you would like the ball you need to communicate with your teammates—you could call their name, make eye contact or show target / W hands.</p> <div style="display: flex; justify-content: space-around; align-items: center;">    </div> </div>	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 25%; text-align: center; color: blue;">Word</th> <th style="text-align: center; color: blue;">Definition</th> </tr> </thead> <tbody> <tr> <td style="text-align: center; color: red;">Attack</td> <td>To try and score a goal/point in the opponents area.</td> </tr> <tr> <td style="text-align: center; color: red;">Communicate</td> <td>Know when your teammates are passing you the ball.</td> </tr> <tr> <td style="text-align: center; color: red;">Defend</td> <td>Protect your goal area—stop the other team from scoring</td> </tr> <tr> <td style="text-align: center; color: red;">Goal side</td> <td>When your team is not in possession you need to be between the ball and your goal area.</td> </tr> <tr> <td style="text-align: center; color: red;">Intercept</td> <td>To gain possession on the ball when the other team are passing the ball.</td> </tr> <tr> <td style="text-align: center; color: red;">Marking</td> <td>To be close to a member of the opposition to stop them getting the ball.</td> </tr> <tr> <td style="text-align: center; color: red;">Pass</td> <td>Chest, bounce or shoulder pass - which is best for the task.</td> </tr> <tr> <td style="text-align: center; color: red;">Pass and move</td> <td>Once you have pass the ball to a teammate move into a space to receive it again.</td> </tr> <tr> <td style="text-align: center; color: red;">Receive</td> <td>Take possession of the ball from a teammate W / Target Hands important</td> </tr> <tr> <td style="text-align: center; color: red;">Re-start</td> <td>After a goal/point is score or the ball goes out of play—the other team start with the ball.</td> </tr> <tr> <td style="text-align: center; color: red;">Space</td> <td>An area of the pitch/court where you are not next to your teammates or opponents.</td> </tr> </tbody> </table>	Word	Definition	Attack	To try and score a goal/point in the opponents area.
