Flu Vaccine

Reminder - On Monday 18th September, the school nurses will be in school to administer the nasal flu vaccines to the children. If you have not done so already, please give consent for your child to have the nasal flu vaccine by completing the information on this link: [Vaccination UK East Anglia Immunisation \(schoolvaccination.uk\)](https://www.schoolvaccination.uk)

The nurses will not be able to give the nasal flu vaccine to your child without the consent being completed. You were sent an email yesterday with further details about the nasal vaccine.

Home Learning

Shortly, you will be receiving an email with the first set of home learning for the year. Also attached will be the termly home learning menu. Please read the email carefully as it has all the details you need regarding home learning.

WE ARE GOLD! (Again)

You may have noticed the new shiny banner we have up on the railings by the big front gates. I am so pleased and proud to announce we have retained our GOLD accreditation as an UNICEF Rights Respecting School. We were reassessed in June and the children showed the accreditors how well they knew and understood the UNICEF rights and how well it is embedded across our school! Our UNICEF/School council committee from last year (some of whom are pictured) felt very proud to see the sign. A huge well done to all the children and our UNICEF lead Mrs Coombs. We truly would not be gold without the hard work of Mrs Coombs!

International Day

One of the highlights of the school year is returning again this year. This morning you were emailed a letter with details about our upcoming International Day. This is a fantastic day which is thoroughly enjoyed by all our families (especially the bring a dish event) and we look forward to having another successful event this year.

Reminder - Donations towards our OPAL lunchtimes

If you are able to donate any of the above, please could you bring it in to the school office. Thank you for your support in advance,
