'Kind, Respectful, Best'

Headteacher – Mrs M. Barton

Wednesday 20th September 2023

Dear Parents and Carers,

CGP SATs Revision Guides

Year 6 have made a fantastic start to their final school year at Brookland. Year 6 SATs tests are scheduled to go ahead week commencing Monday 13th May 2024.

We have carefully selected CGP revision packs to enable you to support your child's learning from home. As we are able to order in bulk, we receive a significant reduction in price if you order through the school. It is not compulsory to purchase these materials, but they are an extremely useful tool for your child to work through at home and come complete with answers for independent assessment. They are also a great revision guide for the children.

We are recommending buying one of two bundles:

There is a standard level bundle which includes 2 maths question books, an English reading bundle and a grammar, spelling and punctuation targeted question book. **The total for these is £12.50.**

The stretch level bundle, which include a maths question book, an English comprehension, targeted question book and a grammar, spelling and punctuation targeted question book. **The total for these is £12.50.**

If you are unsure which level to purchase for your child, please email your child's teacher on the class email.

If you would like to purchase a pack, please order **online via Arbor under Trips by Monday 9th October 2023** in order for the packs to, hopefully be received in time for October half term.

Kind regards,

Year 6 Team
