- The class chooses the rights to focus on such as the right to an education, the right to be safe, the right to relax and play.
- We have a weekly session where children learn more about the rights and how they can help everyone to receive their rights.

# **We are INCLUSIVE and DIVERSE**

The children are at the centre of everything we do

We treat each child as an individual

We acknowledge diversity because we are diverse

We are working on ensuring our curriculum continues to be diverse

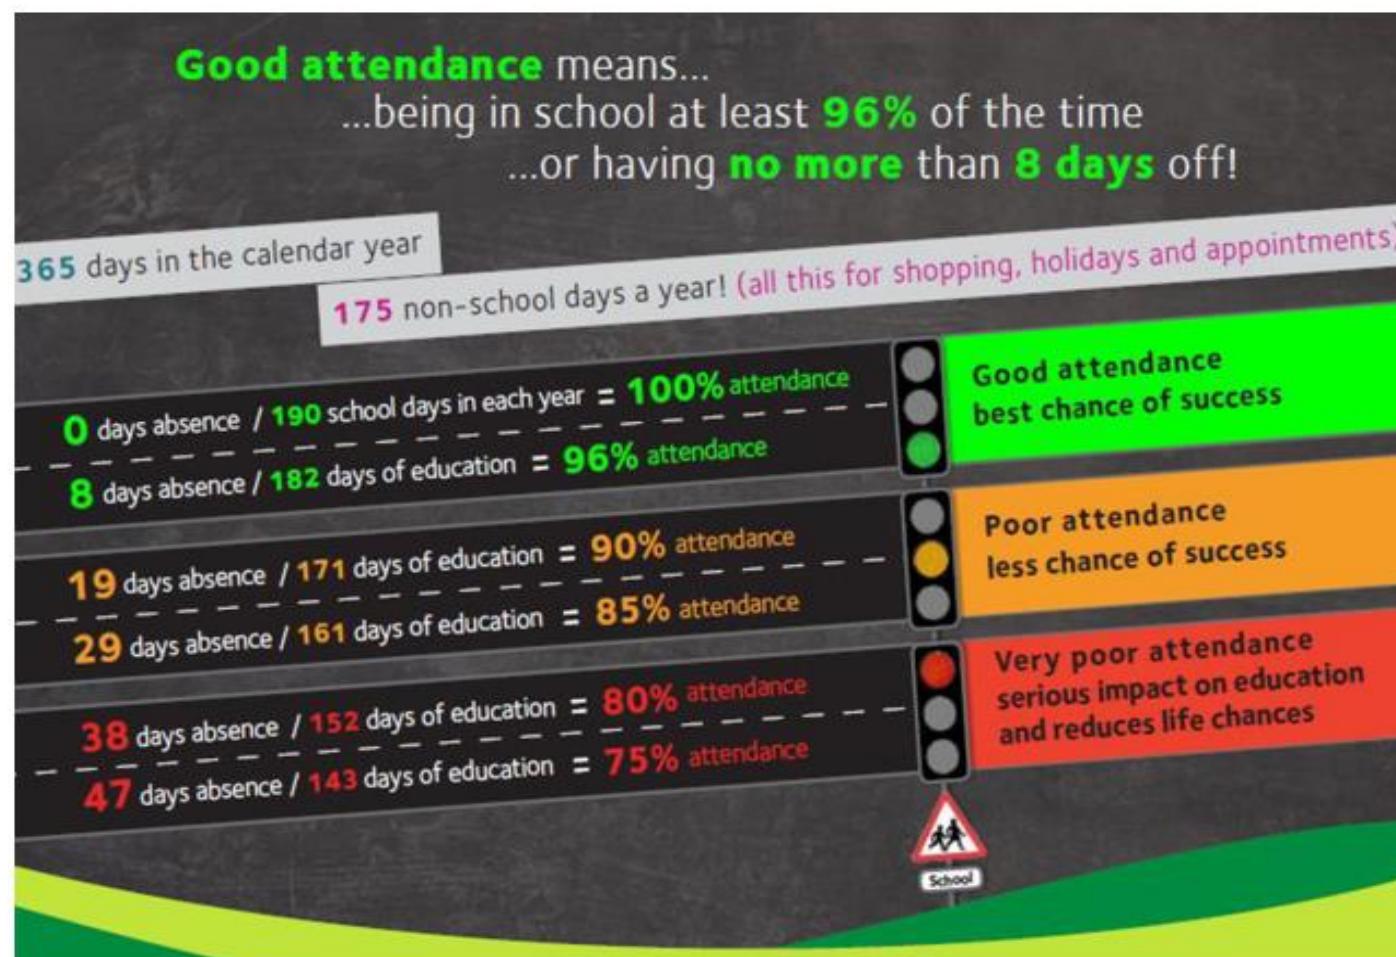

We will be using aspects from the 'No Outsiders: Everyone different, everyone welcome' scheme which uses children's literature and real-life news stories to discuss differences and acceptance.

# ATTENDANCE MATTERS

- We can not stress enough how important it is that your child attends school everyday
- We know children get ill, but unless they are really poorly please send them in. Please do not keep them at home for a runny nose, a slight cough etc.
- Speak to the office and depending on the circumstances, we are happy to administer calpol or nurofen if needed
- Term time holidays will not be authorized
- Attendance Policy has further details

- There are 2 PE lessons a week – Wednesday and Thursday
- Your child will also have weekly lessons in Science, RE, PSHE, Music, Computing, History/Geography, Spanish, Art/DT

# Home Learning

- Weekly home learning will be emailed home every Friday, along with Mrs Barton's weekly newsletter. All home learning set on Friday to be completed by the following Thursday.
- **Reading** – weekly (**at least three times a week**) - A minimum of 15 minutes per reading day to build up stamina. We know by Year 5, many children will want to read to themselves, so it is absolutely fine for them to sign the reading records themselves. Of course if you do read with your child, then you can sign your reading record as well.

*Note – On the inside cover of reading records will be the log in details for purple mash, Times tables rockstars and good classroom. The children may need these details for some of the home learning that is set.*

- **Spelling** – we set home learning around the sound/pattern we are teaching and/or around Year 5/6 common misconception words
- **Maths** – Home learning will be set from maths CGP books that will be given to the children. Children continue to learn times tables on times table rockstars.
- **Termly** – homework menu which links to the foundation subjects - Children will be given a range of homework activities from which they can choose which tasks to complete. Children are accepted to complete a minimum of 2 tasks but can complete as many as they like

# Home Learning Menu

## Brookland Junior School

### Year 5 – Home Learning Menu

#### ART

Create a piece of art recycling newspaper, card, paper etc. Be inspired by Fenny Stawermer and David Stark!

#### Wellbeing

Make a card for someone's birthday or a celebration that is coming up.  
Watch a film with a family member (make sure to switch off your phones)  
Make breakfast for another family member.  
Play a card game or a board game that you haven't played in a while.

#### Music

Select some music that makes you think of space, astronauts and aliens.

- Create an action that represents the following movements.
- 1: Taking off in a space ship.
- 2: Landing a spaceship on a planet.
- 3: Exploring your new planet.
- 4: Making an exciting discovery.

Listen to your favourite song and dance around the room.

#### Spanish

Look at this BBC website for Spanish and pronunciation of some letters:

<https://www.bbc.co.uk/bitesize/topics/spanish39/articles/a7mytnd>

#### PE

Have a 'penalty shootout'. Play against different family members. If you lose you are eliminated!

Place a starting marker on the floor.

- Stand beside the starting marker on two feet, how far can you jump landing balanced on two feet?

- Challenge a partner to see who can jump the furthest.

- If you have space, place down a marker at 8.31m, the distance Greg Rutherford jumped to win a gold medal in 2012. How many jumps does it take to jump that distance?

#### RE

Make a list of festivals that different religions celebrate during December. Make a list of things that are similar and different.

Choose one of the festivals to make a leaflet for.

#### History and Geography

Investigate how important Jade was to the Ancient Maya and create a poster explaining what they used it for.

Design an island that you would like to live on. Think about what features it would have and create a key.

#### PSHE/OUR RIGHTS

Choose a Rights Respecting article and create a poster about it.

Think of 5 kind acts that you could do for someone else during the month and write them down. Once you have completed them ask the person you helped how your kindness helped them.

#### Science

Find the name of a constellation of stars draw and label it. If you can, see if you can spot it in the night sky.

Create a quiz about the solar system.

Using straws, string, elastic bands and tape, design a bridge to hold up a can of food.

# Clubs and extra-curricular activities

- Children have access to range of clubs
- Many are at lunchtimes
- After school: choir, range of sports (tennis, football, multi-sports, athletics, tag rugby), musical theatre
- We will be sending out information about clubs this week – you can sign your child up via Arbor.

# Medical

- Head bumps
  - letter sent home with symptoms to look out for
  - text sent home to inform you
  - Coloured wrist band put on child
- Medication
  - Please let the office know of any changes
  - We will call you when medication is coming up to its expiry date so you can replace it

# Communication at Brookland

Class email – for general classroom enquiries – teachers will aim to reply within 48 hours – please note that teachers do not look at this email during the school day. Emails are mainly checked at the end of the day.

- [aspen@brooklandjm.herts.sch.uk](mailto:aspen@brooklandjm.herts.sch.uk)
- [cedar@brooklandjm.herts.sch.uk](mailto:cedar@brooklandjm.herts.sch.uk)
- [elder@brooklandjm.herts.sch.uk](mailto:elder@brooklandjm.herts.sch.uk)

Admin email: [admin@brooklandjm.herts.sch.uk](mailto:admin@brooklandjm.herts.sch.uk) - If you need to communicate change in collection, absence or something urgent then please use the school office email

Mrs Barton's Weekly Newsletter – usually emailed on a Friday – has upcoming dates, key events in the school, celebration information

Phone call or text message

School website – we are currently putting together our new website but our current website still has some useful information

# Mobile Phones and Social Media

- The expectation around mobile phones is that they should be SWITCHED OFF once children are in the school grounds (after they have communicated with parents that they have arrived).
- Mobile phones are given back to children AT THE END OF THE DAY and are NOT allowed to be switched on until they leave the school grounds to avoid incidents of filming and irresponsible photos.
- The recommended age for WhatsApp, Instagram, Snapchat and TikTok etc is 13 years minimum.
- If you have given permission for your child to use such sites – please can you monitor the use of these sites. We are increasingly having incidents of bad language, photos/videos being shared without consent and just general unkindness online.
- As a school we are always here to support our children if something is said or written online outside of school, but as we are sure you can understand it is very difficult to deal with things that have not happened on our premises. We really do need parental support with dealing with online issues.
- Although something we hope you will not need to do, but if you do find any disturbing content online and on your child's phone, then you are well within your rights to go to the police.
- Children spend a lot of time in school learning about online safety and being kind and it would be really helpful if you could support us in reiterating the same messages at home.

# Can you help?

## Bagels

- If you are able to support with prepping bagels in the morning on any day of the week (from 8am until 8:45am) please could you let the office know.
- If you are able to help, Mrs Barton is happy to have your children in sunrise club (breakfast club) free of charge.
- Even if you can only do one day a week, it would really support us in getting the bagels prepared for the children – the children love the bagels.

## PTFA

- We are looking at putting together a new PTFA. Further details will be coming out soon about a meeting for the PTFA.
- If you have the time, it would be great if you could join the PTFA so we can get it up and running – it really is an important part of our school community and a great way to get involved with the school.
