<https://www.teachingideas.co.uk/2d-art/mindfulness-colouring-images-animals>

Music

Teach somebody at home one of the raps that you have learnt in Music and draw a poster to illustrate it

Spanish

Draw a picture of the members of your family and label them with their Spanish names using the Spanish words that you learnt last term. Use this link to help

<https://www.bbc.co.uk/bitesize/articles/z34q4xs>

PE

Want to get fit and improve your running? Try Couch to 5k for kids <https://marathonhandbook.com/couch-to-5k-for-kids/>

Science: States of Matter

Create a water cycle experiment. Fill a large bowl with water. Put an empty pot in the middle of the water. Cover the bowl with film and place on a sunny windowsill for a few days. You should soon see the water start to *evaporate*, it will cool and condense on the film before falling into the empty pot as 'rain'.

what will freeze first?

Test different liquids in an ice-cube tray to see which will freeze first. Remember to make a prediction first.

History/Geography

Geography:

<https://www.youtube.com/watch?v=TWb4KIM2vts> Learn the water cycle song.

Draw and label a picture of the water cycle.

History: Romans – design a range of puzzles using Roman Numerals

PSHE/OUR RIGHTS

Have a debate with your family about the use of credit cards. Create your own method of payment that you think should be used in the world.

RE

Write an acrostic poem to illustrate the word Hinduism.

Create a mandala design
