'Kind, Respectful, Best'

Headteacher – Mrs M. Barton

Tuesday 16th January 2024

Dear Parents/Carers,

Reading high-quality texts at the end of the school day has been proven to increase enthusiasm and positivity towards books and reading.

As a result, Brooklands have been working hard to generate a brilliant list of 'End of Day Read Alouds'. These have been chosen to supplement guided reading lessons, introduce a range of new authors and highlight themes important to the children.

It would be amazing to give every child in our school the opportunity to have these books read to them every day, so we have created an Amazon wish list for the school, which enables anyone who feels they can, to buy a book and have it delivered straight to school. The list details which year group each text is for. The list is below – any small contribution would be hugely appreciated.

Brookland wishlist: <https://amzn.eu/glaieo4>

Thank you!

Kind regards

Miss Harrison

Year 6 teacher and Reading Lead
