Relationship and Sex Education (RSE)

Dear Parents & Carers,

As part of our PSHE curriculum, it is a statutory requirement for the school to deliver Relationship and Sex Education (RSE) to the children.

We deliver this as part of our PSHE lessons and content will be covered over a number of weeks, with at least one lesson a week during the second half of the summer term. The curriculum we are delivering is created by the 'Christopher Winter Project' and is quality assured by the PSHE Association. This is the sixth year that we are delivering this content.

As part of teaching RSE, we have to share the curriculum and content that we will be delivering to the children with parents and carers. Therefore, we have created a power point presentation that discusses the content and explains the curriculum we are going to follow, and what your child will learn. This power point is available on the school website. Please click on the following link, which will take you to the school website: www.brooklandjm.herts.sch.uk. Then go to curriculum, PSHE, and then the RSE folder, which is located on the right of the page. The power point is split into 3 parts so please do watch each part. **We have voice recorded over the presentation so please put the power point into slideshow mode to hear the voice-overs.**

As well as this, we have uploaded our school policy on RSE to the website (same place as the power points) for you all to read. In addition, on the same page on the school website is a RSE primary school guide for parents. This gives further information about the RSE curriculum.

Please do send in any questions or queries you may have in regards to the policy to your class email address with the subject 'RSE.'

If you are considering withdrawing your child from the 'sex education' lessons then please do get in contact with us so we can discuss this further. Please read the guide on the school website, which gives further details about which areas from which you can withdraw your child. This will mainly be the case for year 6 children.

If you do have any questions or queries, please could you make contact with the school no later than Wednesday 22nd May, as we would like to implement our RSE lessons in the weeks after half term.

Kind regards,
Caroline Abraham
Assistant Head teacher
