## Young Voices 2025

On Wednesday night, our amazing Young Voices choir performed at the O2 as part of the largest children's choir in the world. Our choir were amongst nearly 9000 children who sang their hearts out whilst performing to family and friends. The children sang a range of songs and also performed alongside MC Grammar and Tommy Blaize (the male voice from Strictly Come Dancing). Everyone had a great evening, even the parents and carers enjoyed 'raving' with their children. Although very tired by the end of the night, the children were simply amazing and it was a joy seeing them singing and dancing with their friends. A huge thank you to Mrs Greathead and Miss Carruthers for running rehearsals with the choir.

## Year 6 - Science Visit

Year 6 were lucky enough to have "Centre of the Cell" come and deliver two hour long workshops on "DNA and Evolution". During the session, children investigated camouflage through considering peppered moths, natural selection and animal adaptations which make them suited to their environments and help them to pass down their genetic traits. They have more workshops over February half term which is linked here: <https://www.centreofthecell.org/what-we-do/science-workshops-and-shows/>
