Wishing everyone a very happy half term! The last 4 and half weeks have flown by and we hope all the children have a fabulous and restful break. A reminder that Monday 2nd June is INSET Day so school will be closed. Children return back to school on Tuesday 3rd June.

Thank you PTFA

Thank you to the PTFA for organising the non-school uniform day today. It was lovely seeing all the children in their favourite colours, even if it did mean me and Mr Pugh having to endure Tottenham shirts all day (this is a sore area after Wednesday night for us both). Thank you to Jodie and the team for the cold treats as well.

Year 5 class assemblies

A huge well done to all our brilliant Year 5 children who performed their class assemblies this week. All three classes shared a wealth of learning to their families and peers, even with some explosions going off in the hall. We are all very proud of the children and a big thank you to the parents who attended.

International Day of Play / OPAL - Wednesday 11th June

This week, children were sent home with a letter regarding International Day of Play / OPAL. We are inviting parents in to school at 1.30pm on Wednesday 11th June to watch a short presentation about OPAL before going out to the playground to see OPAL in action. Due to safeguarding reasons, the blue slip on the letter has to be returned to school if you would like to attend because we need to have a register of everyone that will be on site. If you can attend, please return the completed slip to your child's class teacher, no later than Monday 9th June.

Humanist visitor to Year 6

This week, Humanist, Rob Perry visited Year 6 as part of RE curriculum. He shared his belief and understanding of the world around us using Science to understand the natural world and explaining his belief that people can live together promoting well-being for all. He explained how Humanists rely heavily on Science to explain the fundamental creation of our world but how sometimes there are boundaries that we still do not yet know. It has been very valuable for the students to hear the perspective of diverse beliefs to better learn about our wider world from the perspective of a belief that prioritises empathy to all and the freedom to find happiness in one life.
