Clean Air Day Event

A big thank you to all the parents and carers who joined us for our Clean Air Day 'friendly' protest this week! The children did an amazing job creating colourful banners and chanting together to raise awareness about the environmental damage caused by air pollution. The Year 6 children, who gave some insightful speeches, should be very proud of themselves. They spoke passionately to a large audience about the harm caused by car fumes and greenhouse gases. Their passion and creativity made the event truly special—here's to cleaner, healthier air for everyone!
