House Points

The children have been working hard this week to earn more house points for their teams– please see this week's totals:

Attendance Matters

Attendance

1st: Year 4– 97.2%

2nd: Year 5– 96.5%

3rd– Year 3– 95.4%

4th– Year 6– 94.1%

School attendance is critically important because it directly impacts academic achievement, social development, and future opportunities. Arriving late also affects a child's learning and can cause them to miss crucial information at the start of the day. It is also important that holidays are not booked in term time– again these will not be authorised. Each week, we will be sharing each year group's attendance percentage; the recommended school attendance is 96% or above.

Year 6 Football Match

On Thursday, the Year 6 boys football team played their first league fixture of the season against Downfield Primary School. They represented the school wearing the new school kits and tracksuit tops, which looked very professional. The boys played really well as a team and won the match 6-0. Hopefully that takes us top of the league after match 1. An excellent performance– well done!

Show Racism the Red Card

Today, the children wore red and took part in a range of activities to mark 'Show Racism the Red Card'. The aim of the day was to promote equality, celebrate differences and to come together as a school. The children have gained a better understanding of what racism is, how it effects people and what can be done about it, producing art work for the Unicef Rights display.

Year 6 Crucial Crew

The Year 6 children participated in a series of interactive safety workshops covering topics like personal safety, cyber awareness, fire safety, and water safety, which were led by a range of agencies such as Hertfordshire Fire and Rescue. The children were polite, respectful and learnt lots from the experience, whilst having lots of fun!

PTFA Halloween Boogie Bash: Reminder: The event for Years 3 and 4 will run 4.45pm-5.45pm. The event for Years 5 and 6 will run 6pm-7pm. It is £5 per child.
