

Brookland Junior School

Year 3 – Home Learning Menu – Autumn Term

Art/DT

In DT, we will be learning about wearable technology.

Research different types of wearable technology.

For example: a smart watch

Design a poster of your findings.

In our Art lessons, we will be learning about Sculpture and 3D abstract shape and space.

How many 3D shapes can you find in your environment? Build a sculpture of anything you like using junk/recyclable materials you have at home.

PE

Exercise is so good to promote our health and we must all do at least 30 minutes a day. Choose from the activities below.

*Make up a dance to your favourite piece of music.

*Time it! Do 10 star jumps, 5 burpees, 10 sit-ups, high knee run for ten seconds and then repeat as many repetitions as possible in 3 minutes.

Music

We are learning about how to write down music.

Write down the chorus of your favourite song.

Spanish

Learn how to introduce yourself in Spanish

<https://www.youtube.com/watch?v=TkLy21tGxso>

Wellbeing

At the start of the new academic year, we set our own new goals and think about how we can develop ourselves and grow.

Go for a walk in your local area and take photos. Write a list of what you have seen. Can you identify any tree names?

Take the time to do something you love such as listening to your favourite music or playing a game you love.

Science

This term we will be learning about forces and magnets

How many items can you name that are magnetic and non-magnetic. Make a list.

In Autumn 2, we will be learning all about Animals, Movement and Nutrition

<https://www.bbc.co.uk/bitesize/articles/z6v9pg8>

Research how the human skeleton works. Create a poster or a fact file of your findings.

Geography

In Geography, we will be learning about 'UK:London'. Find out about London and create a poster.

<https://kids.britannica.com/kids/article/London/345951>

History

In History, we will be learning about the Stone Age to the Iron Age. Use the website to research some facts you find out. Create a poster.

<https://www.history.org.uk/primary/categories/the-stone-age-to-the-iron-age>

PSHE/Being me in my world/celebrating differences

In our PSHE lessons this term, to tie in with our Rights Respecting learning, we will be learning about how to get on with people and respect our differences.

Create a booklet all about yourself

RE

Our learning this term is about how the mosque is important to the local Muslim community and the we will learn about the Trinity in Christianity.

Walk around your local area. What religious buildings can you see? Discuss how we can recognise people with different faiths as a family.
